# INTRODUCTION

Hospitals are critical places at the best of times and more so for disadvantaged groups due to lack of awareness and sometimes for presence of touts. Ekam Foundation has set up "Help Desk" at Govt., Maternity Hospital, Sultan Bazaar, Koti in August 2017 to look after the special needs of disadvantaged groups and provides individual attention and personalized services. It will also empower the public with information and guidance for exercising their rights & duties.

Help Desk team will be available from 9:00 AM to 4:00 PM at facility. The first half day team will be in the OP block and the next half day team will go to IP wards to give counselling to patients.
